

Central Auto Racing Boosters Hall of Fame and Museum, Inc.

Hello everyone, The Central Auto Racing Boosters Hall of Fame, Officers and Board members hopes all of you and your families have had a Happy Holidays and are being safe and well. We would like to take this time to reach out with this newsletter to let everyone know that the selection committee has selected the 2021 Hall of Fame Inductees. We are pleased to announce that your **2021 Hall of Fame Inductees are Kerry Davis, Thad Doshier, T.J. Giddings, John O'Neal Sr and John O'Neal Jr., Jerry Potter, Ervin Schick, Ken Schrader, and Ken Simon.** We would like to congratulate all our inductees and the selection committee for selecting an exceptionally fine class.

As of right now we have canceled the Hall of Fame Induction Banquet, but we are hoping that with the good news about the vaccine that we will be able to do the banquet sometime this fall. Keep your fingers crossed.

We hope everyone has had a chance to visit our website, www.carbhalloffame.com to see the fresh new look. We encourage you to please look at it and if you have any suggestion of something you would like to see please let us know. We will be keeping you informed on our website as to how we stand with what we hope to be doing this summer.

We are happy to say the Central Auto Racing Boosters Hall of Fame and Museum and the Kansas City Automotive Museum is back open for visitors but currently due to the pandemic the Museum is only open currently on Friday, Saturday, and Sunday. **Mask are required.** Days open and times are in this issue. Please go on the KCAM www.kansascityautomotive.com website and set up a tour if you have 10 or more people coming. You will also get a discount rate by booking ahead.

The Hall of Fame has also decided that we will not be doing the World of Wheels this year. As you know a lot of our volunteers are older and we do not want to risk their health or their family's health. We do plan on doing it next year in 2022.

So, if anyone has an older car and would like to display our history, we would love to have you. In closing the Officers & Board of the Hall of Fame would like to say take care and hope to see many of you soon. God Bless.

Announcing the Central Auto Racing Boosters Hall of Fame Class of 2021 Inductees
